It's Time For Change

by Father Terrance Klein

It's time to change one of the ways in which we communicate with the parish. Having consulted with both the pastoral council of St. Joseph and the parish council of Immaculate Conception, I am announcing that the next issue of The Spirit of Saint Joseph & Immaculate Conception will be our last. As is always the case, change is both a loss and an opportunity.

First, the loss. Members of both councils feel the very same as I do. We've always enjoyed the newsletter, and we will miss it. It's done some wonderful work for our parishes, drawing us together by sharing our stories, and so we thank Jenny Kasselmann, Sharla Thill, Sandi Oberle, and Carla Liebl. They've done wonderful work. Jenny and Sharla for decades! We are truly grateful.

Second, why we must change. First, because both parishes have lost key contributors in the past two years, whom we have been unable to replace, despite repeated requests for help. The result is that lately, we have sometimes simply reprinted material that had already been distributed to the parishes in another media. In itself that wouldn't be a problem, but it's a very costly reprint. The cost of producing the newsletter is about \$5000 per year. With neither parish operating in the

black, saving each of them \$2,500 is very important.

And finally, what opportunity does change bring? The newsletter was begun more than three decades ago, when the internet didn't exist. The printed page was the only way to reach parishioners. But now there is virtually nothing which we might put in the newsletter that we cannot put on our parish web pages, and we can direct people to them by way of our Facebook posts and bulletin pieces. Our parish webpage is already sponsored by local merchants. It doesn't cost the parish anything. Neither do the Facebook pages. (We had earlier explored the possibility of including ads in our newsletter, but we would be asking the same merchants to support two forums, each of which dilutes the effectiveness of the other. And again, we were faced the question, "Who would sell these ads?")

One positive effect of the newsletter remains the case with the webpage and our parishes Facebook pages. They reach the unchurched, the former parishioners, and the parishioners we don't often see. It's true that some parishioners are not internet users, but, even if we had the volunteers, that's a lot of money to spend on so few.

As we plan ways to move material from the newsletter into the bulletin and onto the web, please let us know if you are interested in helping. It truly is important to tell our stories to one another, and to see each other's pictures. Would you consider being a writer or a photographer? Someone who will interview new parishioners, graduating seniors, and tell the stories of our elders?

Come enjoy Armistice Day with us. On November 11, 2018, the Ellinwood American Legion, and the Historical Society will host a Celebration of the 100th Anniversary of Armistice Day.

The party will begin at the American Legion, at 2:30, with exhibits of WWI, and a display of the trenches during the war that includes a talk from Denis Hammer.

Guest speaker, Linda McCaffery, will talk about America's Involvement in the War. Linda is head of the History Department at Barton County Community College.

Other activities will be "In Flander's Field", narrated by Lloyd Kurtz. Ellinwood High School's Mystic Blues will entertain us with songs from the War Era, such as "Over There" and "The Yanks are Coming", under the direction of Mrs. Paige Stegman. It has been said that the people of Ellinwood gathered on Main Street when the boys came home by meeting the train, and singing the War Era songs.

Posters and Poppies will decorate the Legion for a dinner to finish off the afternoon. Menu will be reminiscent of the War period. All reservations will be expected by November 1st. Set cost will be \$15 a person. Call Joyce Schulte at 564-2886 or Sharla Thill at 564-2681.

Legion Auxiliary, Boys and Girls Scouts, along with members of the Legion and Museum of Ellinwood, will take part in the festivities.

The American Legion and the Historical Society of Ellinwood is seeking names of WWI veterans from Ellinwood. Give us a call, if you know someone who served.

Marilee Huslig Devoted Parishioner Passed Away

by Laura Jones

Marilee Huslig passed away on Friday, August 17, 2018, at the Ellinwood District Hospital here in Ellinwood. Her Mass of Christian Burial was held on August 21, 2018 in St. Joseph Catholic Church and she was laid to rest in Sts. Peter and Paul Cemetery.

Marilee is survived by her husband, Leverne, whom she married on October 9, 1948, and children: John, Elva Fellers, Jeff, Bennett, Daniel, and Laura Jones. Also surviving are her siblings, Catherine Doll, Marvin, Richard, Lawrence, Martin, and Sam; 18 grandchildren, 22 great grandchildren and many nieces and nephews.

She was preceded in death by her parents; a sister, Elva; three brothers, Fritz, Linus, and Tony; her son, Gene, and his wife, Debbie; brothers-in-law, Emanuel Doll, Bernard Huslig, Melvin Huslig, and Elmer Huslig; and sisters-in-law, Nancy Feist-Schissler, and Marion Sandlin.

The following is a tribute to Marilee written by her daughter, Laura.

Marilee Huslig passed through the threshold from this life to eternal life on August 17, 2018. She lived a long and industrious life and last year, at the age of 91, was still canning peaches and wishing she could do more than her frail body allowed.

Growing up the oldest in her family, she was adept at hard work and leadership skills. She put her own 7 children to work doing a variety of jobs and, if anyone felt the task was beyond

their skill set and responded, "I can't do it", then she would say, "Can't never did anything" ... meaning give it a try and figure it out as you go. She was always standing nearby to lend a helping hand and provide guidance. Her standards were high and a second phrase she often shared to ensure quality work was, "If a job is worth doing, it is worth doing well."

Marilee had a beautician license which she always kept active as a back-up plan in case of financial need, but her real goal was to be at home with her family and she never worked outside the home. She made everything by hand ... including her wedding dress, the draperies in her house, several pieces of furniture and every type of food, including ketchup and salad dressing. At one time in her life, Marilee even made the soap to wash clothes.

Marilee was from a different era. The great depression had taught her to treasure everything, use the minimum, and waste nothing. She was not tainted by the experience of hardship, but instead she learned to be resourceful. One word of advice to her children was to always leave a place better than you found it.

The most important advice that she gave to her children had to do with matters of faith. She believed marriage was a vow, not only to her husband, but also to God. She told her children to choose a spouse who would help them get to heaven. There was nothing more important to Marilee than helping her husband, children, family, and friends get to heaven.

Marilee was an authentic witness to her faith and both of her sons-in-law converted to the Catholic faith after having spirited discussions and debates with her.

In her last years, she became very fond of this phrase ... "Holy Love in the Present Moment", which is a personal goal to forgive immediately those who hurt you. She explained that nothing was so bad that could not be forgiven and she always cautioned her children to never give in to hate.

Marilee could often be heard saying, "Do not trouble trouble, until trouble troubles you." She advised us not to worry, but to pray. During the last 20 years of her life when her asthma required her to spend hours inhaling her medicine, she often prayed 3 rosaries and many other prayers during that time. She also used the hours of sleepless nights praying the Divine Mercy Chaplet.

She believed the time here on earth should be spent working to store up treasures for heaven. May her soul now rest in peace and may Perpetual Light shine upon her.

St. Joseph Parish extends to Marilee's Family our deepest sympathy

Marilee holding John.

who donated cookies for our Grandfriends reception. We had a wonderful time visiting with our Grandfriends and eating delicious cookies.

Thanks for your kindness

We feel so grateful and blessed by all the emotional support, cards, flowers, food, donations, we've been receiving from family, friends and members of the community. Thank you to Father Klein and everyone who contributed to and attended Trevor's funeral mass and to the altar society for preparing and serving the wonderful luncheon. Pray to Set an Example for Our Children

"Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him."

Colossians 3:16-17

Lord, I pray that the message of Christ and his sacrifice is the root of gratitude in my heart. That His gracious gift leads me to thankful living, setting an example for my children. That they will have their own relationship with Jesus one day, and that You would grow gratitude in their hearts out of the acceptance of Jesus as their Savior. Lead us to do everything in the name of Jesus and give thanks to You through Him.

In Memory of Irene Kimpler

Irene Kimpler died September 10, 2018 at the Ellinwood Hospital surrounded by her family. She was born March 2, 1922 on a farm north of Hoisington.

She married George Norman Kimpler on April 7, 1947 at the rectory in Ellinwood.

She is survived by her daughter Lana, granddaughter, Bridgett Schneweis and great grandchildren, Kameron and Khloe' of Hoisington.

Known as Grandma Irene, she loved her family and those around her. Through her adversities, she never complained.

As we all go through our lives, cherish the ones you have while they are here. Put the anger and petty arguments to rest by forgiving each other. We are all human and do make mistakes and have bad days, chalk its up and say, "Tomorrow is another day." When they are gone, you can't make up for the things you wanted to say or do. But remember they are always with you.

Welcome The Fred Albers Family

by Jenny Siefers Albers

I grew up on a farm south of Ellinwood with my parents Larry & Sherrie Siefers and my two brothers John and Mark and two sisters, Teresa Sieker and Chris Siefers. I attended St. Joseph School till 4th grade then Ellinwood Grade School, I graduated EHS and went to Bethel College for a Bachelor of Social Work; Newman University for Master of Social Work.

I have worked as a licensed social worker for the past 35 years living in the Oakley area. I worked in a variety of agencies providing services to children and families, mostly in the western part of the State.

I continue to work full time for Saint Francis Community Services as a director for the Reintegration Program, I am based out of the Great Bend office but also travel to Colby and Garden City.

Fred and I were married at St. Joseph's Church on July 11, 1992. We have three children Anissa and her daughter Kinsley live in Ellinwood and Anissa works at Ellinwood Hospital.

Kyle came to Ellinwood about 3 1/2 years ago to work with his Uncle Kenny Sieker. He has purchased a house and plans to make Ellinwood his home for now. He is now working for Schlessiger's.

Our son Jeffrey completed his master in Agronomy and is working for Syngenta. He is in a training position that has him temporarily stationed in Fargo, ND. He doesn't know where he will be once his six month training period is over. Life is an adventure and he is on one!

Fred and I decided to move to Ellinwood for several reasons, one being that two of our three children have landed here; most of my family continues to live around the area; and the biggest draw was our delightful grand-daughter! The move has been an adjustment for both of us; Fred living within 30 miles of where he grew up and leaving his family; and for me living close to my family. Being close to my family is an adjustment, not a bad adjustment, just different when I have visited 'home' for the past 35 years to see family and now to live again at

Jeff, Kyle, Fred and Jenny Albers, Kyle's fiancée Kate Buckbee and Annisa Albers Racette, holding Kinsley.

PSR CHALK

On Wednesday, September 19, the high school PSR class drew pictures with sidewalk chalk in front of church. They were instructed to draw pictures representing words that describe the Holy Spirit. Then they described their drawings and quoted Bible verses in a short presentation to the other PSR classes who had gathered in front of the church. (Picture on left: PSR instructor Lindsey Bogner joins in on the fun of chalk drawing with Sarah Beran. Picture on right: The first graders patiently wait for the presentation with their instructor, Kristi Beran.) The drawings included:

- Sarah Beran - oil of anointing
- Devin Ryan, Brett Liebl, and Myles Menges - gift
- Callie Zink and Lexi Oeser - tongues of fire
- Delaney Rugan and Rachel Lamatsch - dove
- Addie Crites and Emily Ryan - voice
- Tyler Holmes, Jacob Oberle, and Cole Lamatsch - cloud

Angel Tree

The Angel Tree for St. Francis foster care children will be at Immaculate Conception Church in November. Approximately twenty names will appear on angel ornaments on the tree. Each person who picks a name off of the tree is asked to sign their name in a notebook beside the name of the child, so that we know that all of the names had been claimed and will be returned. A suggested price for each gift is \$25-\$40. Each gift needs to be wrapped, with the angel tag attached. A deadline will be posted for the gifts to be returned to the tree (or given to Sandi Oberle). The gifts will be taken to the St. Francis Community Services office in Great Bend immediately after the deadline so that the social workers will be able to deliver the gifts to the children before Christmas. The process of delivering the presents can take awhile since workers have numerous children that they make visits to each month, and due to a shortage of foster homes, some children are in foster homes quite a distance away from Barton County. Thank you, and God Bless everyone who decides to participate. You will make the holiday brighter for a foster child. As one St. Francis worker said last year, "We could not do everything that we do for the children without the support and help of our community!"

If you have any questions, contact Sandi Oberle via email at sandio@hbcomm.net or call 620-587-9913 or 620-791-8417.

Trevor Robert
+ Cates

Trevor Robert Cates, 40, passed away September 17, 2018, in rural Stafford County. He was born in Great Bend, December 11, 1977, to Bob and Alvita (Tinkel) Cates. He married Megan Drake August 1, 2009 at Estes Park, Colorado. A lifetime Claflin resident, Trevor was a member of Immaculate Conception Church. He was an ASE certified auto technician for his father, at Bob's Service Center in Claflin. Trevor enjoyed golfing, cars, grilling and camping.

Survivors include, his wife, Megan Cates of the home; daughters, Sierra Drake of Salina, Emma Williams and Hadley Cates of the home; his parents, Bob and Alvita Cates of Claflin; one sister, Tamara Dody and husband Jason of Claflin; four nephews, Paxton, Peyton, Prycen and Parker Dody of Claflin and grandmother, Thelma Cates. He was preceded in death by his grandparents, Albert and Laura Tinkel and V. E. Cates.

Visitation was held from 11:00 a.m. to 2:00 p.m., Thursday, September 20, 2018, at Bryant Funeral Home and from 4:00 p.m. to 8:00 p.m. at Immaculate Conception Church, Claflin, with Vigil Service at 7:00 p.m. Mass of Christian Burial was held at 10:00 a.m., Friday, September 21, 2018, at Immaculate Conception Church in Claflin with Father Terrance Klein presiding. Interment was at the Claflin Cemetery.

During the homily, Father Klein spoke of how we can't put the loss into words and can't compare sorrows. Trevor was remembered as an artist...painting power cats all over town, and even cutting them into hair. He could build almost anything just from looking at a picture and could repair most anything. One very special memory included Trevor giving rings to his daughters, Sierra and Emma, when he gave their mother, Megan, a wedding ring...showing them that they were included in his love.

Memorials are suggested to the Daughter's Education Fund or Donor's Choice, in care of Bryant Funeral Home. Immaculate Conception Parish extends our deepest sympathy to the Cates family.

Yellow Ribbon Suicide Awareness

A very informative presentation was held on Wednesday, September 26, at the Immaculate Conception Parish Center. Richard Falcon, a mental health counselor from Compass Behavioral Health in Dodge City, presented the Yellow Ribbon Suicide Awareness Program to those in attendance. Yellow Ribbon Prevention began in 1994 by a group of youth after a friend named Michael Emme died by suicide. It is the most successful suicide prevention program. It teaches that it is okay to ask for help, and uses small cards as a way for those who are in crisis to reach out for help. Approximately 40,000 youth have used the cards to ask for help, thus saving their lives. The program is present in all 50 states and is also in 47 countries.

The statistics are shocking:

- 1 in 5 teens consider suicide
- Suicide is the second leading cause of death in youth in the age group of 15-24 years.
- Kansas ranks #19 in suicide rates.
- For every person who dies by suicide, there are 100-200 attempted suicides
- 85% of people give warning signs before suicide.
- Over 50% of those who die by suicide are under the influence of drugs or alcohol. Drugs and alcohol decrease the levels of serotonin in the brain, acting as depressants. (Antidepressants raise serotonin levels)
- 90% of depression and suicidal tendencies are treatable.

The cards used by Yellow Ribbon are a way that someone in crisis can reach out for help. One side of the card can be used by a person in crisis who doesn't know how to ask for help, but they can hand the card to a counselor, teacher, clergy, doctor, parent or friend

and say, "I NEED TO USE MY YELLOW RIBBON" The other side of the cards offers instructions on how to help a person who is suicidal...Stay with the person, Listen, Call for help immediately!

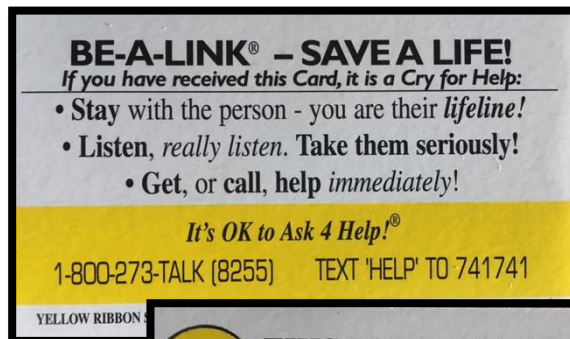

According to Mr. Falcon, causes of depression vary from person to person, but some causes may include bullying(at school or over social media), a relationship breakup, divorce, family conflict, money problems, death of a loved one, sexual abuse, drugs and alcohol, and excessive time spent on social media (Snapchat and Instagram have been shown to be the top two causes of suicide).

Signs of depression may include the following: Irritability, inability to concentrate, low attention span, sleep disturbances, low appetite, chronic fatigue, social withdrawal, emotional numbness, and

racing thoughts. If you, or someone you know, is suffering from depression, please reach out for help!

What can be done to help depression? Medication and counseling can be helpful. Other options include:

- Listing 3 positive things that are happening in your life (This has been shown to lower the risk of suicide by 70-80%)
- Talking face to face with other people. Be around other people.
- Sunlight: Vitamin D from sunlight raises serotonin. Low serotonin contributes to depression.
- Yoga
- Turn off the cell phone at night.
- Limit social media to 1 hour or less per day.
- Talk about suicide with your children or anyone that you think is suffering. The problem is that it is a taboo subject that no one wants to talk about. But it needs to be discussed. Those in crisis need to know that they can talk to you!
